The IDS filed 7/21/06 is not in compliance with MPEP 609, section A(2) as e-mail/internet communications are not part of what is held as acceptable material for consideration. The IDS is also not in compliance with section B3 since part (A) of the requirement is not seen to be met for the J.Med. Chem article published in 2001, which is included as part of ref. C2. The record shows that applicants coauthored a later publication (also provided in ref. C2) citing the earlier article. The later article was submitted for publication in 2003. If applicants intend to file a RCE for consideration of these articles, they need to be separately listed.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Emily Bernhardt whose telephone number is 571-272-0664.
